**About**

Trading From: Portland/Oregon, United States (map)  
Age: 67 years old  
Occupation: Retired  
Trading Style(s): Technical Analyst  
Other Markets Traded: US Equities  
Favorite Trading Book: Zen in the markets (Amazon)  
Biography: I was a building contractor for over 20 years when I lost part of my sight 12 years ago and retired. Looking for something interesting to do I discovered the Forex market. I liked it better than trading the Stock Market. I learned something new every day and test its validity. Trade daily mostly on EUR/USD, GBP/USD. Trade the 4 Hr ... (more)

Read each and every one of his 1,480 posts. It takes only 2 minutes to read each post. Total time needed : approx. 49 hours.

For those posts he has an image/chart attached, you spend another 3 minutes for each of the post with charts. Total time needed : 19 hours

that's all you need, 68 hours to know the man and learn how he started as a newbie trader and progressed over 6,000 hours and till the time he developed the 5-Method which became TMS
