

Thank you for using fxRulesEngine LITE. We hope and believe fxRulesEngine will help you become a better Forex trader.

## DEMO OR LIVE ACCOUNT (please read **WARNING**)

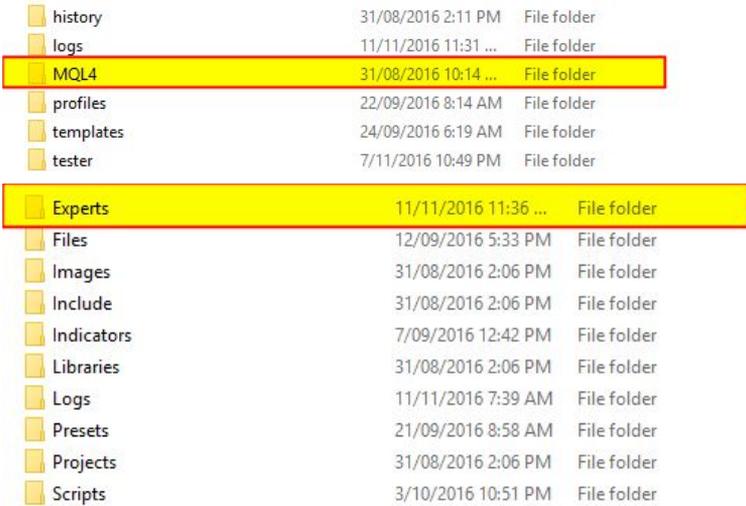

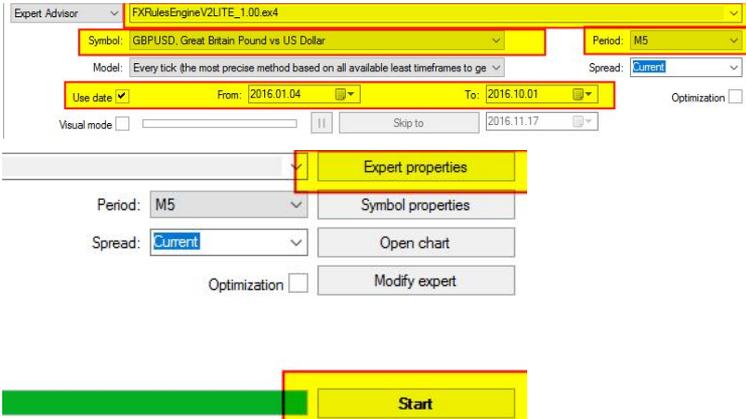

**WARNING:** Forex trading is a **very risky financial activity**, and you will quite likely lose money. Do not trade live until you have fully tested your proposed trading plan, and you are fully aware of the risks. Only trade with **money that you can afford to lose**.

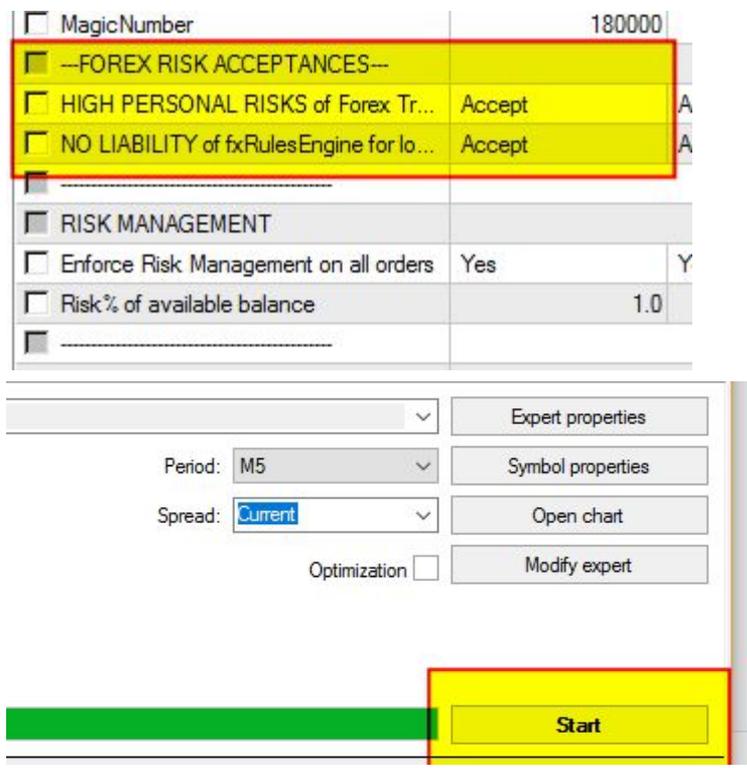

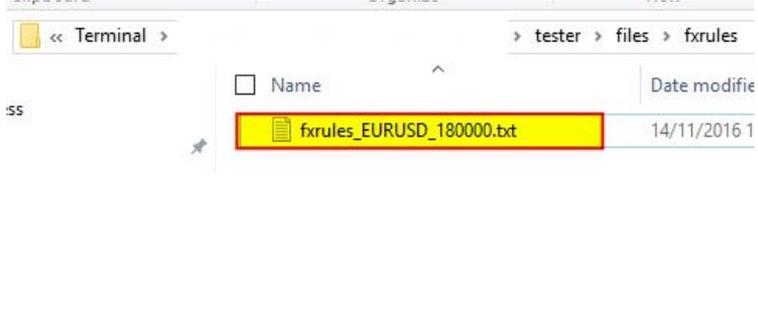

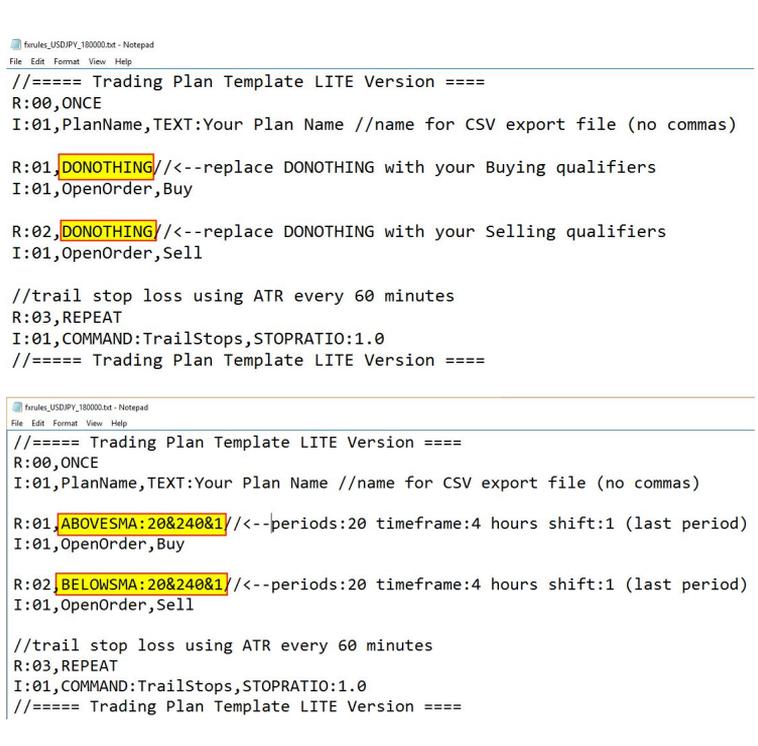

Installation	Images
<p>Download fxRulesEngine from <a href="http://fxrulesengine.com">http://fxrulesengine.com</a> or other approved sites.</p>	
<ol style="list-style-type: none"> <li>1. Select File-&gt;Open Data Folder</li> <li>2. Go to MQL4\Experts</li> <li>3. CopyFXRulesEngineV2LITE_1.00 .ex4 to MQL4/Experts folder</li> <li>4. Restart MT4 or refresh the Experts folder listing</li> </ol>	
<ol style="list-style-type: none"> <li>1. Open a chart window for a DEMO account on a chosen currency pair, such as EURUSD</li> <li>2. Ensure AutoTrading is enabled.</li> <li>3. Install fxRulesEngine as an Expert Advisor onto the chart for 5 minute timeframe.</li> <li>4. Accept the Risk and Liability Disclaimers</li> <li>5. Click OK to install. If all is well there should be a summary of rule monitoring at top left of screen and a smiley at the top right of the screen.</li> </ol>	

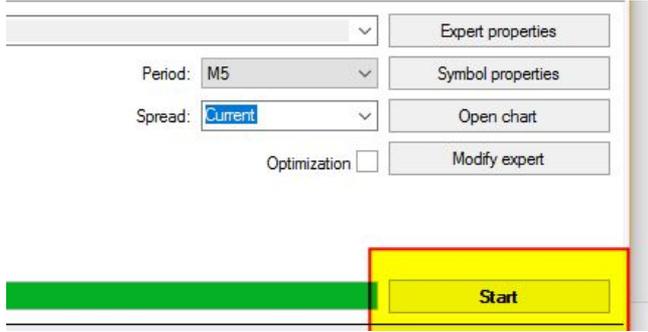

<ol style="list-style-type: none"> <li>1. Select File-&gt;Open Data Folder</li> <li>2. Open <i>MQL4/files/fxrules</i> folder to display the configuration files. There should be one named for your currency pair (see image). This is the default trading plan layout.</li> </ol>	
<ol style="list-style-type: none"> <li>1. Open the text file in your favorite editor.</li> <li>2. This a full-featured template that is a good starting position for a trading plan. The template contains:             <ol style="list-style-type: none"> <li>a. Trailing stops (R:03)</li> <li>b. Automatic order stop and take profit settings from ATR calculations (Buy and Sell orders)</li> <li>c. Automatic order sizing from risk management settings (preset at 1% of available margin).</li> </ol> </li> <li>3. To use this plan simply replace the DONOTHING qualifier with your trading qualifiers. Use the accompanying Samples guide as a starting place.</li> <li>4. Let us take an example modification.</li> <li>5. Type <b>ABOVESMA:20&amp;240&amp;1</b> to replace DONOTHING for BUY.</li> <li>6. Type <b>BELOWSMA:20&amp;240&amp;1</b> to replace DONOTHING for SELL. (See image.)</li> <li>7. Save changes</li> </ol>	
<ol style="list-style-type: none"> <li>1. To force fxRulesEngine to read your new plan, switch timeframes to 1 minute and back to 5 minutes.  <b>Note:</b> sometimes you may have to remove and re-install fxRulesEngine if the timeframe switching procedure does not work.                      Congratulations. You have a fully functioning trading plan to research.</li> </ol>	

<ol style="list-style-type: none"> <li><b>So how well did it go?</b> fxRulesEngine exports all order information into a CSV text file that can be imported into Excel.</li> <li>The results are stored in the fxrules folder.</li> </ol>

## BACKTESTING

Installation	Images
<p>Download fxRulesEngine from <a href="http://fxrulesengine.com">http://fxrulesengine.com</a> or other approved sites.</p>	
<ol style="list-style-type: none"> <li>Select File-&gt;Open Data Folder</li> <li>Go to MQL4\Experts</li> <li>Copy <i>FXRulesEngineV2LITE_1.00.ex4</i> to MQL4/Experts folder</li> <li>Restart MT4 or refresh the Experts folder listing</li> </ol>	
<ol style="list-style-type: none"> <li>Open MT4 Strategy Tester (View -&gt; Strategy Tester)</li> <li>Choose fxRulesEngine LITE as the Expert Advisor</li> <li>Choose your currency pair</li> <li>Set for 5 minutes</li> <li>Select the date range</li> <li>Click Properties button to display properties window.</li> <li>Accept the Risk and Liability Disclaimers</li> <li>Click OK to close the Properties window.</li> <li>Click the Start button. Initially fxRulesEngine will not take any action.</li> </ol>	

	
<ol style="list-style-type: none"> <li>1. Select File-&gt;Open Data Folder</li> <li>2. Open <i>tester/files/fxrules</i> folder under the MT4 identification code to display the configuration files. There should be one named for your currency pair (see image). This is the default trading plan layout.</li> </ol>	
<ol style="list-style-type: none"> <li>8. Open the text file in your favorite editor.</li> <li>9. This a full-featured template that is a good starting position for a trading plan. The template contains: <ol style="list-style-type: none"> <li>a. Trailing stops (R:03)</li> <li>b. Automatic order stop and take profit settings from ATR calculations (Buy and Sell orders)</li> <li>c. Automatic order sizing from risk management settings (preset at 1% of available margin).</li> </ol> </li> <li>10. To use this plan simply replace the DONOTHING qualifier with your trading qualifiers. Use the accompanying Samples guide or <a href="http://fxrulesengine.com">http://fxrulesengine.com</a> web-site as a starting place.</li> </ol>	 <pre> //===== Trading Plan Template LITE Version ===== R:00,ONCE I:01,PlanName,TEXT:Your Plan Name //name for CSV export file (no commas)  R:01,DONOTHING//&lt;--replace DONOTHING with your Buying qualifiers I:01,OpenOrder,Buy  R:02,DONOTHING//&lt;--replace DONOTHING with your Selling qualifiers I:01,OpenOrder,Sell  //trail stop loss using ATR every 60 minutes R:03,REPEAT I:01,COMMAND:TrailStops,STOPRATIO:1.0 //===== Trading Plan Template LITE Version =====  //===== Trading Plan Template LITE Version ===== R:00,ONCE I:01,PlanName,TEXT:Your Plan Name //name for CSV export file (no commas)  R:01,ABOVESMA:20&amp;240&amp;1//&lt;--periods:20 timeframe:4 hours shift:1 (last period) I:01,OpenOrder,Buy  R:02,BELOWSMA:20&amp;240&amp;1//&lt;--periods:20 timeframe:4 hours shift:1 (last period) I:01,OpenOrder,Sell  //trail stop loss using ATR every 60 minutes R:03,REPEAT I:01,COMMAND:TrailStops,STOPRATIO:1.0 //===== Trading Plan Template LITE Version ===== </pre>

<p>11. Let us make an example modification.</p> <p>12. Type <b>ABOVESMA:20&amp;240&amp;1</b> to replace DONOTHING for BUY.</p> <p>13. Type <b>BELOWSMA:20&amp;240&amp;1</b> to replace DONOTHING for SELL.</p> <p>14. Save changes</p>													
<p>1. Click Start button to start the testing.</p>	 <p>The screenshot shows a control panel for an expert. It includes a dropdown menu at the top, a 'Period' dropdown set to 'M5', a 'Spread' dropdown set to 'Current', and an 'Optimization' checkbox. On the right side, there are buttons for 'Expert properties', 'Symbol properties', 'Open chart', and 'Modify expert'. At the bottom, a green bar is visible, and a yellow 'Start' button is highlighted with a red border.</p>												
<p>1. <b>So how well did it go?</b>          You can review the tabs to review trades taken.          Also fxRulesEngine LITE creates <b>export</b> and <b>log</b> files in the <i>lfxrules</i> folder.          The export file contains all order information and can be imported into Excel. The log file is a track of orders created.</p>	<table border="1"> <thead> <tr> <th><input type="checkbox"/></th> <th>Name</th> <th>Date mod</th> </tr> </thead> <tbody> <tr> <td></td> <td>FXR-EURUSD-180000-export.csv</td> <td>15/11/201</td> </tr> <tr> <td></td> <td>FXR-EURUSD-180000-log.txt</td> <td>15/11/201</td> </tr> <tr> <td></td> <td>fxrules_EURUSD_180000.txt</td> <td>15/11/201</td> </tr> </tbody> </table>	<input type="checkbox"/>	Name	Date mod		FXR-EURUSD-180000-export.csv	15/11/201		FXR-EURUSD-180000-log.txt	15/11/201		fxrules_EURUSD_180000.txt	15/11/201
