I would like to able to choose a seperate color for all the bars above 0 moving away from 0
I would like to able to choose a seperate color for all the bars above 0 moving down towards 0
I would like to able to choose a seperate color for all the bars under 0 moving away from 0
I would like to able to choose a seperate color for all the bars below 0 moving up towards 0
I would like an alert that tells when a certain amount of bars are moving up in a row, say 3 in a row. I would also like to be able to set the amount of consecutive bars, say from 3 to 5 etc. I would like (2) seperate alerts like this one for above 0 line and one below 0 line
