Summary

- **1st Phase:**
 - **Trading Period:** No time limit to meet the trading target.
 - **Target:** Achieve a 10% profit.
 - **Max Loss & Daily Loss:** Max loss 10%, no daily loss limits.
 - **Low DD/High Profit:** Focus on managing drawdown and maximizing profits in the account balance.
 - **Max Loss on Open Trades:** If a 1% loss is hit, trades will close, but the trader can continue trading.

- Copy Trading & Profit Share: Not applicable.
- Cost: \$30 to participate.
- Scaling & 2nd Chance: Not applicable.
- Pro Funded Account:
 - Trading Period: Also has no time limit for trading.
 - Target: Maintain a 10% profit target.
 - Max Loss: Capped at 10%.
 - Daily Loss: No daily loss limit specified.
 - Copy Trading: Allowed, especially from top pro account traders.
 - Cost: The initial cost is refunded upon completion.
 - Profit Share: The trader receives 80%-100% of profits.
 - Scaling: Daily scaling by 10% if the trader achieves 1%+ profit each day.
 - 2nd Chance: If the trader fails in Pro Funded account, a 5K challenge is given for free as a second chance.

This structure is designed to give traders flexibility, especially with unlimited trading periods, while also incentivizing profitability and consistency through profit sharing and scaling.
