

52 Week Standard Business Plan Calculator

Instructions:

1. Input the # of days you intend to trade
2. Input the # of trades you plan to take per day on average
3. The lot size you can will begin with
 - a. **1 Standard Lot = 1 1 Mini Lot = 0.1 1 Micro Lot = 0.01**
 - b. FxST™ recommends a MAXIMUM \$5,000 account to start out with 2 mini lots
4. Input the points, or pips you intend to make daily
5. In the top-right where it says \$5,000, input the account size you will begin with.
6. After the results are calculated, we recommend increasing your lot size in order to maintain the same leverage as your account grows. Initially we recommend starting with a leverage of 4:1 for all traders.
(Optional)
7. FxST recommends only trading approximately 3 Hours a day to begin with.

 Green shade cells are editable

** Leverage dynamically increasing towards a Max leverage of 10:1*

*** If account size is less than \$2,500 Micro Account is suggested.*

Account Balance	\$5,000.00
Starting Leverage*	4 :1

You hereby agree that ANY and ALL trading decisions you make are your own and reflect your own personal level of risks and trading skills.

You also acknowledge and agree that you are aware of the risk parameters involved in trading and that the leveraged nature of financial trading can cause losses greater than your account balance.

You further agree to accept full, complete and sole responsibility for any and all results in your trading account.

There have been no promises, guarantees or warranties suggesting that any trade will result in a profit or will not result in a loss.

Risk Warning - Earning Disclaimer

Forex trading involves a significant degree of risk and is not suitable for all investors.

There is considerable risk in any off-exchange foreign exchange transaction, including, without limitation, leverage, creditworthiness, market volatility and limited regulatory protection. The leveraged nature of Forex trading can work against you as well as for you.

You may lose some or all of your investment. Therefore, do not invest money you cannot afford to lose.

You should be aware of all risks associated with Forex trading and seek advice from an independent financial advisor if you have doubts or questions.

Any opinions, news, research, analyses, prices, or other information contained on this website is provided as general market commentary, and does not constitute investment advice. We will not accept liability for any loss or damage, including any loss of profit, which may arise directly or indirectly from your use of or reliance on such information.
